MEMORANDUM FOR: Director of Training

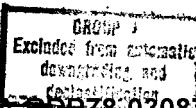

25X1A FROM : [redacted]
25X1A THROUGH : [redacted]

1. I would appreciate your signing the attached letter to Major General Bowers, Adjutant General of the Army.

2. The letter follows with appropriate changes the one which Colonel White wrote for me to the Joint Chiefs of Staff, and is similar to the one you sent to the Bureau of the Budget.

3. [redacted] in Colonel White's office told me, when I raised the question with him, that there was no need for these letters to be signed by Colonel White unless the requestor should, in effect, ask for it.
